

"This. This is the sort of Tarot Grenache I've been striving to make for years. The fruit is soft and moreish, the acid is bright yet not aggressive and the tannin has an almost Nebbiolo-esque feel to it. 2022 was a vintage where we truly hit our stride in terms of winemaking, refining the styles of wines to align with what we love drinking and the cooler conditions certainly allowed for it - and if there's one wine that embodies that, it's the 2022 Tarot Grenache."

~ Sam Berketa, Head Winemaker
