

# ALPHA BOX & DICE

*Kit & Kaboodle, the all-in blend. These are a bunch of red varieties that aren't found in the same region in the 'Old World' and used together to make the ultimate blend. This wine explores the beauty of Australia's wine lawlessness.*

STYLE	For this Kit, it's a whole lot of whole bunch. Based on the Montepulciano we usually reserve for Rebel Rebel, it's been spiced up with a bit of the whole bunch portion of Tarot Grenache, giving a Fuji apple sweetness. Cabernet throws its weight around, adding a savoury, herbaceous note. This is one slurpy, juicy 'Sweet Berry Wine'.
