

“A linear and driven Chardonnay, accentuating the fine-boned aspects and delicate subtleties that make it such a complex variety. We’ve been working with this vineyard for years, selecting only our favourite barrels from the very best years to go into our Corrugated Castle cuvée. New Austrian oak adds a complimentary spice profile to pristine nectarine and citrus fruits. Given the nature of this tightly wound wine, it will truly come into its own with another 6 months in bottle and a structured acidity will ensure its graceful ageing over the next 10 years.”
